

👉 Visa cashout method 👉

1) Requirements- Paytm Kyc sim cards, Rooted mobile (I personally recommend this) or any android phone you can use, working fast internet connection, Visa non vbv cc

2) Process-

Install "Wunder" Carpool App

Register with your fake paytm number

Go & browse the app

After there you see topup..click on topup

Click on rs500 & add your cc details

If cc is live & working then it will be success

You can do this 3 times only i.e is rs1500

Click on withdraw option & Enter your fake paytm number & click on withdraw.

If all goes well you will receive your money in 1-3 days 😊

Bins used- 438628 & 421424

Disclaimer- Cc working depends on luck 😊 & sometimes bins also patched.
